## NOW & ETERNITY

Very soon we will celebrate two big events in the calendar. EASTER and ANZAC DAY. Consider how these two things share some similarities. Jesus, the Son of God came as a man to earth, to live a sinless life, to proclaim the good news that He was the way, truth and life. Through Him and His sacrificial death and ultimate resurrection, His people would be saved from their sins and set free. Men and women of our Australian Defence Force, past and present, made a decision to sign up and give of themselves, some even with their lives, to protect and defend our nation. Because of their sacrifice, we now live in a free and protected nation. You can see some similarities, but the one major difference is that Jesus' sacrifice for us, was not just for now in this life, but for the next life as well. The Bible is clear about eternity, it is real and whether we believe on the Lord Jesus Christ or not, we will all be part of it. Where do you want to spend your eternity?

### Verse of the Week

Truly, truly, I say to you, whoever hears My Word and believes Him (God) who sent me, has eternal life! - John 5:24
