

THE GEN

THE MEANING OF OUR MOTTO!

Our school motto or verse is Proverbs 3:6. "In all your ways acknowledge Him (God) and He will direct your paths" The verse just before this says, "Trust in the Lord (God) with all your heart and lean not on your own understanding"

Acknowledging God and trusting Him, means that in every circumstance we continue to turn to Him, ask for His advice, ask for His direction, ask for His wisdom and accept the outcome, knowing that even if our prayers are not answered how we think or when we think, we have this confidence, that God's promises are always fulfilled. We may never know or understand the timing or reasons, but we do know that God is faithful and will never let us down.

The folk who started the school fifty plus years ago, wanted a verse that would serve as a directive, promise and encouragement to all who were part of Geneva. Proverbs 3:6 is one such verse. Read it, learn it and believe it for yourself!

In 2018, the Year 11 & 12 TASC students, constructed two 2M sailing skiffs. They are made from marine ply with a fibreglass coating. Each is painted with a personal design. The 4M masts were made of Oregon and hand planed. The rudder and keel were made from Tasmanian Oak.

The aim of the project was to learn how to safely work with tools, read plans, work as a group and shape and design timber. Today the students were able to launch their boats at Hawley Beach. Overall it has been a challenging and interesting project, which everyone thoroughly enjoyed. Special thanks to Mr. Bentley and Mr. Thomson who have such a wealth of knowledge between them that they shared with our students.
