DO UNTO OTHERS AND A BIT MORE!

The 'Golden Rule' at school is simply "Do to others what you would want them to do to you". But let's take that one step further. Why not go out of your way to spread kindness and generosity to others, expecting nothing in return. How amazing our world would be if we each did one good deed every day, a small kindness shown to another. Here are some examples:

- Smile as you pass people in the street
- Chop and stack someone's wood
- Tell a family member you love them
- Give up your seat on the bus
- Wash your dad's car
- Tell someone you appreciate them
- Visit someone elderly in your area
- Cook your neighbour a meal
- Mow someone's lawn
- Volunteer for a charity
- Send flowers to your mum

I am sure you can think of plenty more, make it your goal this week to do one kind deed every day. Then look back and see the ripple effect these simple things can have. **Luke 6:38** says: "Give, and you will receive. Your gift will return to you in full—pressed down, shaken together to make room for more, running over, and poured into your lap. The amount you give will determine the amount you get back"
