DO A GOOD DEED

A message from the Principal

I read this week where someone had their morning coffee paid for by a stranger. That simple deed made such an impression on that person, that they did the same for someone the next day. When was the last time you simply gave your time, money or talents to help someone else, without there being any thought of praise or reward? You just did it because it was right. Here are some ways you can do a good deed for someone else this week:

- let a driver through in traffic
- pay for someone's coffee or lunch
- drop flowers on a doorstep
- take your neighbours wheelie bin in or out
- make biscuits and give away

The world is often about getting something for yourself, looking after number one. The Bible is the opposite. *"Do to others as you would wish them to do to you"*. We would all appreciate one act of random kindness every day, but it has to start with us. What will you do?

NEEDED FOR THE PRODUCTION

THE SOUND OF MUSIC

We urgently need certain costumes for our show, which will be performed during the last week of this term at the Latrobe Memorial Hall.

We require **black skirts** – floor length and just below the knee in all sizes for our nuns. **Black long-sleeved tee shirts/tops** - adult sizes, and **peasant blouses** like those in the photo, particularly in children's size 8-12. If you have something you would let us borrow, please put your name on a card pinned to the inside of the clothing so that we can return it to you.

Thanks so much for your support!
