HAVE WE HAD ENOUGH YET?

A message from Mr Lincolne Senior

With the COVID-19 virus upon us, it is instructional to look in the Bible at two cases of plagues that afflicted people. We find in the first case that David had sinned (2 Sam 24:10-15) and 70,000 of his people died before the plague was halted. In the other case, the people of the Exodus complained against God and Moses about the food! (Num 21:5-9). God sent snakes amongst them and many died.

In both cases the people involved admitted they had sinned. In both cases the people were afflicted. In both cases they (Moses and David) prayed to the Lord for help. In both cases God heard their cry and provided a way of rescue.

It is not hard to see the parallels between the above and us. It is not hard to make a list of ways we have sinned and gone our own way.

Have enough died yet? Or will COVID-19 continue it's march of destruction?

We need to be a praying people!

MUSIC LESSONS

Is your child interested in learning a musical instrument at school? We would like to be able to offer music lessons in these instruments: piano, guitar, bass guitar, ukulele, drums, flute, saxophone, clarinet, trumpet or trombone. Lessons would happen either during school time (by negotiation) or after school, and would be either one on one or in a small group setting.

If you are interested or would like to know more, please contact Peter Atkins (music teacher) at peter.atkins@geneva.tas.edu.au.

Learning a musical instrument is not just about learning music. It benefits cognitive development, creativity and emotional expression, amongst other things. It's also a lot of fun! So why not give it a try?
