BLESSED INDEED

A message from the Principal

Over the page there are some of the responses from folk in regards to our Cross Country Day last week. It made me think of how blessed our school is and how God is faithful in His protection and direction of us. Geneva was started by a prayerful group of people well over 50 years ago. As they stepped out in faith, fully trusting God to guide them in a new endeavour, we continue today, bringing our needs, cares and requests to our Heavenly Father, who so faithfully gives us all things to enjoy! We thank Him and praise Him for wonderful days past, present and future.

Positive comments from our Cross Country Day:

"I would just like to pass on my sincere appreciation for the effort, time and organisation which went into the cross country event held on Friday. The event was well organised, enjoyable and catered for students of all shapes, sizes and ages.

The students and staff (and family members) all had a wonderful day! Thank you. Please pass on our sincere thanks to all the staff and volunteers involved.

We certainly do have a great God which we can rely on!"

"We just wanted to thank you and the organising committee for the wonderful time we had at the cross country event on Friday.

The staff and students were very warm and friendly and we were very appreciative of that. Our children thoroughly enjoyed the day and they have not stopped talking about it. It was nice to be among Christians that enjoy time together. We know that a lot of work goes into organising a big event like that."

"So impressed by the interactions between staff and students."

"Really wonderful to see people together again, in such a lovely outdoor setting and everyone so cheerful and friendly."

"Thank you everyone involved in making the Cross Country such a fantastic day. We always enjoy coming along and sharing and competing with others Christian schools, well done!"

DEVONPORT CHAPLAINCY AND THE WORK THEY DO!

During these past few months chaplains, mentors and over 100 volunteers have been supporting young people across our community, who have felt isolated, disconnected and vulnerable by the COVID-19 pandemic. Their wisdom, skills, and compassion has been put into good use supporting young people through this challenging time. We thank and congratulate Devonport Chaplaincy as they connect and build community through meaningful relationships. We ask that you pray for them and with them in the work they do for our community and our school.
