## THE COLOURS OF EASTER!

### *A message from the Principal*

GOLD – represents the perfection of God. He created this world in a perfect state; it was wonderful and it was good.

BLACK – represents the sin of mankind, that's you and me. We are not perfect and not always wonderful or good.

RED – represents the blood that Jesus shed when He died on the cross for us and our sin. He is perfect, and wonderful and good. And He did not stay dead!

WHITE – represents our sin 'washed away', our debt paid and our hearts made clean.

GREEN – represents the new life we now have in and through Jesus.

This Easter, get your kids up, go to a church nearby and hear what God has done for you through His son, Jesus. Don't stay with a black heart. Reach out to Jesus, confess your sins, trust in Him, and receive a new life, one full of hope, peace and love.

"Repent and be baptized, every one of you, in the name of Jesus Christ for the forgiveness of your sins. And you will receive the gift of the Holy Spirit. 39 The promise is for you and your children and for all who are far off—for all whom the Lord our God will call." Acts 2: 38-39
