NOW & FOREVER

A message from the Principal

Recently we celebrated Easter and this weekend will mark the anniversary of the ANZAC landing. Let's consider how these two things share some similarities.

Jesus, the Son of God came as a man to earth, to live a sinless life, to proclaim the good news that He was the way, truth and life. Through Him and His sacrificial death and ultimate resurrection, His people would be saved from their sins and set free from the sorrows and hardships of this world.

Men and women of our Australian Defense Force, past and present, made a decision to sign up and give of themselves, some even with their lives, to protect and defend our nation. Because of their sacrifice, we now live in a free and protected country. Hence, we gather as a nation each year on April 25th to remember them and what that means for us.

You can see some similarities, but the one major difference is that Jesus' sacrifice for us, was not just for **now** in this life, but for the next life as well. The Bible is clear about the next life, it is real and whether we believe in the Lord Jesus Christ or not, we will all be part of it. Where do you want to spend your **forever**?
