BE NICE

A message from Mrs Lincolne

I had to question myself today about this very thing. Do I go out of my way to be nice, do I treat others in the way I want to be treated myself? Circumstances arise, where sometimes you get angry, hurt, frustrated, disappointed or cheated, and you don't feel like responding in a loving and friendly way. But what if we deliberately went out of our way to be nice? The challenge is this; make every conversation, circumstance and encounter with others, nice not nasty. Be encouraging, courteous, friendly, helpful, generous and forgiving. Start today, start right now and see what can happen in your life!

THE GOLDEN RULE

TREAT OTHERS AS YOU WANT TO BE TREATED!
