THE GIFT OF GIVING

A message from the Principal

The word 'give' or similar is mentioned over 1980 times in the Bible, so it obviously holds some importance. Sometimes when people give a gift it comes with conditions, which can make it more like a burden than a gift. The Bible is clear about how we should give; we are to do good and give, hoping for nothing in return, for it is God who sees and rewards us. In Luke 3, Jesus commands us that if we have two shirts we should share with the one who has none, and anyone who has food should do the same. This week our school families all enjoyed a gift. One of our new parents, who works at Costa, gave the school over 400kg of bananas and we were able to share and pass that gift along, sending home bags of bananas to you. The excitement and fun at bus time on Monday and Tuesday was a joy to see. Thankyou to Nick & Trishelle, for your gift of giving!

LET'S CELEBRATE OUR TEACHERS AIDES

This week around the country, schools are celebrating Teachers Aide Week. Here at Geneva we have 29 supportive people who interact each day with your children. Sometimes the jobs they do go unseen in the busyness of the school day. But be assured we know each one of them and the awesome job they do in their area of the school. We have given each a small gift of thanks today. So if you see a teacher aide anywhere soon, be sure to acknowledge them for the great job they do.
