EASTER MESSAGE

A message by the Secondary Chaplain - Mr Darren Eyles

Easter... what does that mean to you? Is it a holiday? Is it an excuse to eat excessive amounts of chocolate?

For Christians, it is the time when we celebrate the death, burial and resurrection of Jesus, which raises the question, why would anyone celebrate a death? What was it about the death of this man, that has made it an event that is universally and eternally celebrated?

We all know what it is like when someone sacrifices themselves for others. We have seen it in the movies we watch, we remember it on Anzac Day, and we honour these people.

In other words, we celebrate death when it is sacrificial for the benefit of others.

But what if this could happen on a universal scale? What if there were one man, who could sacrifice himself for the benefit of all mankind?

This is what Jesus did for us; he sacrificed himself, so that we might have life, and life in all its fullness!

Jesus takes on himself, all the wrongs we have ever done, every time we have missed the mark, every time we went the wrong way, every time we let others down. Jesus takes all these wrongs, and they die with him! which sets us free from the guilt and the shame and the remorse, and gives us a fresh start!

That was Friday, and then on Sunday he rose from the dead to prove that he had done just what he said he would do. Bringing the forgiveness and restoration of God that we so desperately need.

This is what Easter is about, and that is something worth celebrating!

Verse of the week:

"Praise be to the God and Father of our Lord Jesus Christ! In His great mercy, He has given us new birth into a living hope through the resurrection of Jesus Christ from the dead."

1 Peter 1:3

Prayer points:

- Praise God for the wonderful Athletic Carnival last week. We thank him for the sunshine and fellowship.
- Thank God for the fun times had on camps and day trips this week.
- That we are reminded of the great sacrifice that Jesus made for us on the cross.
- Pray for safety over the school holidays, and that teachers and students will return rested and encouraged for a new school term.
