## FRIENDSHIPS

*A message by the school Chaplain - Mr Dance*

Here at Geneva, our vision statement is –  
'students on the right path' (Proverbs 3:6).

Here are two question to ask yourself in regards to your friendships:

Am I friends with people who are helping me to be on the right path?  
Am I being a friend to others in helping them to be on the right path?

I want to encourage everyone to be great friends to others this year. In a world that has gone into isolation and with loneliness only increasing in young people, we encourage our students to have Godly friendships like David and Jonathan did in the Bible (1 Samuel). To build friendships that are NOT based on trying to "one up" each other or that only benefit yourself for selfish reasons. Instead we encourage everyone to have friendships this year that are looking to see the other succeed. To treat others how you would like to be treated. To show sacrificial love, where you bless your friend's life, with no agenda to try and get something back. To love your friends deeply and want the best for them. Would Geneva be a school full of students this year who are seeking to help one another stay on the right path through their friendships.

### Verse of the week:

"Jesus looked at them and said,  
"With man this is impossible, but  
not with God; all things are possible  
with God." - Mark 10:27

### Prayer points:

- Pray for our Year 11/12 students while they are at Interlaken this week. Pray for meaningful and memorable moments together.
- Pray for protection and good health over our students, families and staff.
- Give our leaders and Government wisdom as they navigate this season. Let God's hope and truth guide their actions.
- Thank God for His continual love, guidance and many blessings.
