# THE VERY BEST BOOK

A message from Mrs Lincolne

We have just celebrated Book Week here at Geneva and have had opportunity to look at and read many beautiful and interesting books. It reminded me of the song "The Best Book to Read is the Bible" and so true this is. The Bible contains a great deal of information about our natural world. It provides descriptions of human behaviour and tendencies, in which our own day-to-day experience shows us. The Bible has historical events and facts in which worldly research often agrees.

BUT, the Bible is not just a history book, a psychology text, or a scientific journal. The Bible is the description God gave us about who He is, and His desires and plans for humanity. Its most important message is redemption, which is universally and perpetually applicable to humanity. God's Word will never be outdated, superseded, or improved upon. The Bible has never been out of print, since it first went into publication and is still the most read book in the world.

Cultures change, laws change, generations come and go, but the Word of God is as relevant today as it was when it was first written. Get a Bible and have a read for yourself.

## 2022 PRIMARY SOCCER

After almost 5 months of soccer, Geneva's soccer season has come to an end! Through rain and shine, goals and saves, as well as laughter and tears, it's fair to say that everyone involved had FUN. The first game of the season kicked off in April and the very last was this past weekend - with the kids training almost every Wednesday on the oval/in the stadium during lunchtime. The improvement throughout the year(s) was clear to see among all the teams and players. Some teams saw a major improvement in wins and goals from previous years. while some teams saw a major improvement in teamwork and communication. Whether teams won, tied or lost, the most important part is that everyone had fun with their mates and made some really good memories.

Well done to all players for your hard work, dedication and awesome-ness!! You all did Geneva proud!

Mr Reynolds

## CONGRATULATIONS

Congratulations to Cailin Walters-Simpson who received the U13 Best & Fairest Award for her hockey team, with the runner-up, Eddie Huxtable. Well done on a great season Ruth, Dexter, Arthur, Eddie and Cailin!
