Week 9 - Term 3 - 2022

## Verse of the Week

sweet to the soul and healing to the bones.

Proverbs 16:24

## A CHALLENGE FOR US ALL!!

Have you been hurt by others when they say things or do things to you? What about when you hear things from others said behind your back? It's not nice and it hurts.

In your hurt state do you bite back and do the same to them? What a different world we would live in if we all practiced kindness to others. The Bible says, "A word spoken well is like apples of gold in pictures of silver." In other words something delightful and lovely to look at and enjoy. For us all to live happy and full lives, we need to be practicing kind words and deeds to one another.

When I was younger, my parents would often remind me, 'If you can't find something nice to say, don't say anything at all!' Let's really make an effort to change the world we live in by changing the way we speak and act.

That's your challenge for this week!

## DESIGNATED BUS SEATS - TERM 4

To improve the level of safety on the buses, we have made several attempts to assign seats to students to help with crowd control and lesson the distraction to our bus drivers. It seems that students are still changing seats so we ask that once your child has a seat assigned they make sure they stay in it. If there is a request to change, please contact the front office. Thankyou :)
