## OBEY

The Bible has directions for all sorts of people; fathers, mothers, children, brothers, sisters, workers, bosses. One very short and simple word that is applicable to all people is the word OBEY! What does OBEY mean? Here are some definitions:

- Do what someone asks
- Accept direction from others
- Carry out and follow directions
- Submit to someone
- Listen and respond

The direction from God to OBEY is not just because we should, it is also because it's good for us to OBEY. Listen to what the Bible says about children obeying:

"Children, obey your mum and dad. Listen to what they are trying to teach you. Proverbs 6:10 says, "Keep your father's direction, and listen to your mother's teaching." Because, these will lead you in life. Their thoughts will help you grow up right. Their words of experience and wisdom will teach you and make you aware about life, relationships, and more.

There is a promise that comes from God if you OBEY your parents. He says things will go well for you and you will enjoy a long life. We want that for all the students here at Geneva. So CHILDREN, START TODAY AND OBEY YOUR MUM AND DAD! Don't forget this Sunday is Mother's Day. This is a good opportunity for you to OBEY your mum, not by buying her heaps of things but by doing acts of kindness in and around the house. Surprise her with your obedience!!!
