

TERM 4, WEEK 5  
THURSDAY, 14TH NOVEMBER, 2019

# THE GEN

Next week we will be hosting Mr Brett Ryan, who is the CEO of Focus on the Family Australia. He will be speaking to our students during the day on Wednesday and Thursday about relationships and technology.

### PARENT INVITATION:

He will also be hosting a session on Wednesday evening at 7pm for all school parents, entitled: "Parenting Teenagers".

This will be an interactive session talking through issues and strategies to help you parent teenagers well. It is particularly recommended for parents with pre-teen children. Such practical advice will empower your parenting skills and give you wisdom for navigating the teenage years.

This is a free event and there will be plenty of opportunity for Q&A during the session, with supper to follow. We would encourage you not to miss this great opportunity to hear Brett, to ask any questions you may have, and to be encouraged in your parenting, which is a struggle for us all at times.

Any questions call the school office.
