

THE GEN

All our students are memorizing Psalm 121. It starts off with, 'I lift up my eyes to the hills, where does my help come from? My help comes from the Lord!' The verse continues with all the things that the Lord helps us with.

Five times during this chapter the word **watch** is used. It's means He keeps us from harm. How wonderful to know that He will not let our foot slip, He will surround us while we sleep, He is our shade and shield against the elements and He assures us of His presence now and forever. Have you fully put your trust in God, who is faithful, gracious, caring, and all powerful. He does not, and will not break His promises with those who put their trust in Him!

MOVE WELL EAT WELL

Lunch boxes come in all shapes and sizes and are filled with all sorts of food. At Geneva we try to emphasize wherever possible the importance of making healthy food and drink choices. We are part of the MOVE WELL EAT WELL programme, that highlights healthy habits for the whole family. Parents can you please do a check of what is going into lunch boxes.

Is it fresh, nutritious, energy supportive, brain powered and nice to eat? A good way to get your kids eating their lunch is to get them helping you pack it.

If time allows, choose recipes together to make healthy snacks and lunch choices.

Google has unlimited ideas for healthy options and cooking together builds positive relationships:)
