WHAT IS YOUR BIGGEST WORRY?

A message from the Principal

What worries you the most and keeps you awake at night? Do you grind out a plan in your head and then find when facing the day you are unable to work it through? Are their relationships that need mending? Is there forgiveness that must happen? Do you need to confess a wrong doing? Worry is like riding a rocking horse. It's something you do that actually gets you nowhere! A friend of ours who was 'brought up tough', served in our defence force in Vietnam, loved and lost family members and struggles with constant pain, looks at life in an interesting, but very practical way. He is a Christian, but fully understands what it means to struggle with his worries and fears. He shared with me the other day and said this, "even my greatest worries come to nothing when I think of Jesus. If I fall over, I've got Him, if I have a car accident I have Him, if I make a mistake He will forgive me, if I get COVID, and die He is still with me, so no matter what happens, I have Him and He has me!" There is nothing in this world that is bigger, greater, wiser, kinder, lovelier or more secure than knowing and following Jesus. This is a message from God to us:

"Do not be afraid, for I have ransomed you.

I have called you by name; you are mine.

When you go through deep waters,
I will be with you.

When you go through rivers of difficulty,
you will not drown.

When you walk through the fire of oppression,
you will not be burned up;
the flames will not consume you.

For I am the Lord, your God"
